

OPIC/EDN Loan Application Pre-Qualification Form

Please provide required information or a "Yes" or "No" answer at the end of each of the following questions:

1. What is the host country for your project?
2. Are there U.S. sponsors or investors that own more than 25% of the total shares of the project company?
3. Are the project sponsors a partnership, corporation or other association created under U.S. law, or a foreign corporation which is more than 95% U.S. owned?
4. Have the project sponsors sought financing from any private sector organizations like banks, capital management firms or equity investors?
5. Can sponsors demonstrate a successful,3-year track record in the designated line of business?
6. Do the sponsors have demonstrated experience in and knowledge of the host country, market and environment?
7. Could the project have a negative impact on the environment? Specifically, does the project involve a dam, ozone depleting substances, and persistent organic pollutants; or could it affect any natural habitat, wilderness or wildlife reserve?
8. Would the project require the resettlement of anyone?
9. Does the project involve the termination of any U.S. operations?
10. Does the project involve commercially proven technology, products and/or processes?
11. Does the project involve any pharmaceuticals that are not approved by the USFDA?
12. Does the project involve any of the following business sectors?
13. What's the estimated total project cost?
14. What is the amount of financing being sought from OPIC?
15. Please provide a brief description of the project.

Funding request to support expansion and new irrigation equipment/system for fruit farm. Product sold exclusively in country. Local ownership in addition to US sponsorship. Expansion will provide additional jobs for the area.
